

Old East Village Community Conversation #2

On November 6, 2013 over 50 people came together to talk about developing a neighbourhood safety task force in the Old East Village. The attendees strongly supported an open invitation to participate on the task force!

The purpose of the task force is to develop a neighbourhood safety plan that is resident driven and action oriented. The main objectives of this neighbourhood plan are to:

- Understand the neighbourhood safety perspectives and issues
- Build on the community's strengths
- Provide recommendations for how best to build a safer neighbourhood

If you are interested in being a member of this task force and are able to commit to one meeting a month from January to June, 2014, please respond by December 20, 2013 to participate.

The first meeting will be held:

January 23, 2104 from 6:00 pm to 9:00 pm.

Interested individuals can email neighbourhoods@london.ca or call 519-661-5336 to express their interest in the task force by December 20th, 2013. Please provide us your name and contact information.

We will contact you in early January with the details of the first task force meeting.
